## FOREWORD

As a new season starts I take the time to remember the twenty years serving alongside Chris Manley. He was not only a referee on this League but also a member of the management committee. A true believer in Football development and this League. He was not only my friend but also over the years became friends with a vast majority of managers. He will be missed and very hard to replace.

We start the new season as always with hot weather allowing Peter to organize the maximum amount of Fixtures. Your requests this season for venue availability have far exceeded any other season, and may become impossible for Peter to accommodate all of your requests especially coming towards the end of the season.

It takes a lot of time to organize football in the EJA. The success is down to all of you as managers and the committee members of your Clubs, also the management Committee of the League for the time and effort everyone gives up to make it one of the most sought after leagues to play in.

So thank you to every one and keep up the great work again this season.

yours in Sport

Richard Coleman  
Chairman

# Annual Report 2015-2016

The start of the 2016 season went well, our new teams settled down and our fixtures were up to date until the rain started again. No Fixtures over the Christmas period. Cancelled games started in January. Clubs that had remembered the last two seasons had booked 3G pitches allowing some of our fixtures to be played. Unfortunately teams were cancelling games due to pitches being water logged. Not true on some occasions.

We have managed to cover all but a few of our games with referees. Those that did not have a match official were down to lack of communication, something we have all got to get better at. On the whole the vast majority of our referees have done an excellent job, so thank you to them.

Fixtures have been on the website 4 weeks in advance that includes County Cups. Without the commitment of our fixtures Secretary some teams would still be playing league fixtures in June.

Cup finals this season were a great success and the Clubs that allowed us to use their venues went out of their way to make us all welcome. Thank you to Woodbridge Town, AFC Sudbury, Haverhill Rovers, Billericay Town ,Thurrock and Brentwood Town. Congratulations to all finalists and winners as well as the referees.

County Cup: plays a big part in our fixture calendar. We congratulate all finalists and winners over the many Counties we cover. U13 AFC Dunstable AFA winners U13 Whitton United Suffolk Winners. U14 Cockfosters Middlesex Winners, U14 Felixstowe & Walton Suffolk Winners. U14 Afc Hornchurch Essex Winners. U15 AFC Hornchurch Essex Winners. U15 Ryan London Winners. U15 AFC Dunstable AFA Winners. U16 Cheshunt Herts Winners. U16 Woodbridge Town Suffolk Winners. U17 Ryan London Winners. U18 Wood bridge Town Suffolk Winners.

Our own Cup Winners: League Challenge Cup: U13 AFC Ilford, U14 Cockfosters, U15 Ryan, U16 Borehamwood, U17 Ware and U18 Buckhurst Hill, Plate competitions: U13 Cambridge City, U14 Buckhurst Hill, U15 Needham Market, U16 Snaresbrook, U17 Chelmsford City and U18 Broxbourne Borough.

Section Champions went into the play offs and apart from one team withdrawing they were a great success, spread over three Sundays held at Hullbridge Sports. Section and League champions are on the last few pages of the Handbook.

Mid Week Cups, U13 Winners Brentwood Town, U14 Winners Brentwood Town, U15 Winners Brentwood Town. U16 Winners Biggleswade Town, U18 Winners Broxbourne Borough.

Over the period of the Cup finals and play offs, we started a collection for Great Ormond Street Hospital hoping to collect around about £1000.00. Thanks to your generosity we managed to collect £1500.00, the small coins that were left, we donated to St Luke's Hospice. Can you please thank all of your parents that gave generously over that seven-week period. I must thank Pearl and Roger for collecting at the Cup Finals and Derek for collecting at the Play Offs.

Each year I thank members of the management committee for their commitment to the League, This I will do in the next paragraph. What is important is for us to thank you for your effort and commitment in insuring that we played as many games as we did. That means playing fixtures late on a Sunday evening, on a Saturday and also midweek. It just goes to show that if we all work together what results we can achieve. Thank you all.

None of this would be possible if we did not have an amazing fixture secretary. Peter works endlessly to insure that all fixtures go on the website that includes County Cup Fixtures. A lot of our Clubs have specific requests about venues and when they can be used, these are all taken into consideration when fixtures are generated. Thank you Peter for doing a fantastic Job.

Referees: Derek does a tremendous job in covering our games; we are looking to strengthen our referees panel this season. If you know of any referees that have the attributes to make a difference at our games can you please let Derek know?

Our Registration Secretaries Steve and Lesley. They run an open house and will always try to accommodate most clubs, They most certainly go the extra mile to insure that all registrations are done in time for the boys to play football. Without your commitment some boys would not be able to play football.

A Special thank you to Robin and Chris and Ian for their hard work with discipline, not an easy job as it is only a few Clubs that take up the vast majority of their time

Rob, Pearl and Roger, without these three people we would never be able to hold the Cup finals and play offs. Rob does all off the programmes. Now that is a task on its own. Not only does he have to publish the programmes he has to get the information from the Clubs, I know on more that one occasion he has been chasing managers for info the night before the final so that he can print it. Thanks for a great Job. Pearl, Having been responsible for the trophies myself I know what it entails to be in charge of so many. I think you will all have noticed how clean they where, that takes hours of Cleaning. Not just satisfied with cleaning the trophies she spent three weeks with Roger feeding over 1000 boys and managers. Pearl you deserve more than just a thank you. Roger, Can I just say that without your help it would be impossible to do all the things that go on over the last two months of football within this League, Thank

you very much.

It is always sad when you have to say good bye to people that have helped this League grow. It is with regret that we have to say farewell to Rob and Pearl as they are stepping down from the management committee due to work commitments. Rob has been with this League a very long time and will be missed tremendously for his commitment to the EJA. Its not just saying good bye to a colleague but a very close friend. Both Rob and Pearl have said that they will still be around checking on what is going on in the EJA as it has been a big part of their lives. We wish you every success with your business. Should you find time in the future to help out we would be only to pleased to have you back on the Committee.

I would also like to thank Brenda for her help with the Rep teams and helping out as ass Secretary

And last of all I must say a special thank you to Jackie not only is she the treasurer she has to put up with football, and me, as the League has now become more than just a hobby.

- (1) All fines are sent out by email, please make sure you acknowledge them back to the SAME email address.
- (2) You have 14 days to either pay the fine or appeal against it
- (3) If your intentions are to appeal, please make sure that you do this WITHIN the fourteen days from the date it was issued, along with your £10 deposit in accordance with rule 15(d). Any appeal after that period will not be heard and the fine will stand.
- (4) Payment of fines. At the bottom of the fine notice you will see the Officer's Name and Address. When sending payment in it MUST go to that issuing officer, NOT the Secretary or Treasurer, otherwise you will incur another fine. PLEASE USE THE FINE REFERENCE WHEN PAYING.
