

# EJA Registrations

[reg1@eja.org.uk](mailto:reg1@eja.org.uk)

*Deadline for 25/26 season signings: 31st March at 5pm*

## Registrations

Weekly transfer deadline is **7pm every Friday** to play for Sundays. There will be **no exceptions**.

## Transfers

For all transfers a **7 day notification of approach email** (not message, phone call or WhatsApp) must be sent to the current club a player is registered to. The current club can choose to waive the approach. If they do not waive the approach due to missing kit or fees, then the player can only be signed on the **8th day**. The day of approach is considered to be **day zero**. Evidence must be emailed to the league before a transfer can be processed.

**Note:** Only **one player** from a club can transfer to a new club every **28 days** to minimise the impact of moves to a club.

## Cancellations

All cancellations of registrations must have **parental approval** sent to the league with acknowledgment that the player is unable to play in the league for **28 days**. This avoids the 28 days of transfers being circumnavigated.

## Season 26/27

New rule: A minimum of **11 players (9 players for U13)** must be signed on **35 days before** the season starts.

## Key Points

- Be proactive and have all players signed on before the end of July.
- Weekly registrations deadline is **7pm Friday**.
- Transfers must include **notice of approach emails** as evidence.
